## EXPERIENCE

### PICTURE MILL (Website Programming)

JUNE — JULY 2010

Headed the development of a new website for the studio Picture Mill, programmed all web pages based on proposed designs, responsible for entire implementation including HTML, CSS, and JavaScript.

### 'SORTER' (iPhone OS game)

JANUARY — MAY 2010

Orchestrated the design, development, and implementation of a fast paced action game for the iPhone OS platform, handled all facets of game design, graphic design, programming, marketing, and support.

### GUNSHOP, SF (Student project)

APRIL — MAY 2010

Completed multiplatform ad campaign directed by San Francisco studio: Gunshop, designed and created storyboards, styleframes, animatics, 3D assets, and final composites for broadcast and print.

### 'GREEN MEANS GO' (Student project)

JANUARY — MARCH 2010

Worked in a group of three students to complete a music video for the band Your New Secret. Shared many roles throughout including storyboarding, directing, shooting, lighting, editing, animation, color-correction, camera-tracking, and compositing.
